Full Time 3D Modeler

Expilies Studios

02/2021 - 01/2022

Remote

Online game and experiences development

Achievements/Tasks

- **Efficient Workflow:** Optimized 3D assets to reduce rendering times by 30%, ensuring smooth performance in online environments.
- **Asset Optimization:** Reduced polycount on models without sacrificing visual quality, leading to improved game performance on lower-end hardware.
- **Problem Solving:** Identified and resolved critical texture and lighting and animation issues in complex environments, saving hours of rework.
